EXPERIENCE

Callejón Diagonal

GENERATION MEXICO

SEPTEMBER 2021 - NOVEMBER 2021

I built an e-commerce with a small team of developers via remote work. I programmed three sections of the site, selected the color palette and typography, arranged the UX design and came up with the original idea. **Click to visit website**

Google Search Quality Rater

TELUS

APRIL 2017 - JULY 2021

- Qualitative and detailed approach of content
